

Hang a Mobile anywhere you like!

INSTRUCTIONS:

1. Print out all of the mobile pages.
2. Cut out all of the pieces along the dotted lines.
3. Remember to ask an adult for help when cutting!

CHARACTERS:

1. Fold each character piece in half and glue to hold.
2. Punch a hole at the top of each character where the circle is located.
3. Tie a piece of string to each hole.

BACKGROUND:

1. Glue one side of the first piece to the opposite side of the second piece to make one long piece.
2. Fold the two attached pieces together to form a cylinder and glue to hold.
3. Punch 8 holes at the bottom of the cylinder.
4. Using string, tie each of the 8 characters to the holes in the cylinder.
5. Now find the perfect place to hang your mobile!
